

ARTISTS BRIEF FOR PUBLIC ARTWORK

at South Quay Shed, Whitstable Harbour

May 2024

BACKGROUND AND CONTEXT

Canterbury City Council is seeking an artist or artist collective to transform the wall spaces at [South Quay Shed](#) in Whitstable Harbour.

The commission can involve either

- (a) Creating a large-scale two-dimensional artwork on a single wall space
- b) Devising a series of 'accents' (i.e. smaller artworks) across several walls

South Quay Shed (SQS) was converted into a sustainable commercial site in May 2022 and houses a range of independent food, drink, and retail outlets. Whitstable Harbour is a working industrial and fishing port owned by Canterbury City Council and is administered by the Whitstable Harbour Board.

This public art commission offers an

opportunity for an artist or artist collective to create an artwork that is vibrant, eye-catching, and appeals to a broad range of audiences and ages. The artwork should reflect the unique historical and cultural context of the site and should engage and inspire passers-by who use this space.

We are looking for an artist who is open to collaborating with the community that uses space and are particularly keen to hear from artists who live, work, or study locally in East Kent.

SOUTH QUAY SHED

The SQS building is a multi-unit commercial space consisting of 12 self-contained units spread over two floors, as well as two external units, all of which are currently occupied by local businesses. The building's original concrete frame has been preserved, and recycled groyne timber sourced from Herne Bay Sea defences has been used in its renovation.

The ground floor of SQS features food court-style seating, a council-run bar, four retail and five food outlets, along with an internal courtyard.

On the first-floor mezzanine deck, visitors can find an exhibition of a model of the harbour as it was in 1923, three retail and one food and drink outlet, a balcony, and fully glazed front elevations that offer stunning views of the working harbour throughout the year.

SQS is fully accessible to wheelchair users and is dog-friendly, making it a welcoming space for all. Operating hours are from 8am to 5pm on weekdays and 8am to 8pm on weekends. The building is also known for hosting events, such as live music performances and food and craft workshops.

PROPOSED SITES FOR ARTWORK/S

We envisage the selected artwork(s) will either be painted directly onto a wall or applied using adhesive vinyl. We recommend applicants visit the site to get a feel for the available wall spaces.
